## LED FLEXBAND CRI930/690

### White dynamic LED Flexband CRI930/960 from ISOLED® Innovative and powerful!

The powerful LED Flexband CRI930/960 from ISOLED® designed for 24 V transformers® convinces with its power of 20 Watt per meter and 6.666 lumen.

This LED flex strip is equipped with 6 warm white and 6 cool white SMD2115 chips of the latest generation per section (separation point every 50 mm). This allows with e.g. a corresponding controller and sequencer from the SYS-One series of ISOLED® the dynamic selection of a colour temperature range from 3.000 - 6.000 Kelvin.

**Important Notice** Please do not run flex belts with more than 3 amps per power feed point! In this case: 20 Watt nominal power per meter x 3.5 meter laid length = 70 Watt : 24 Volt power supply = 2.92 Ampere. If a flex belt is to be installed for a longer period of time, the current feed must be carried out on both sides or, in the case of this belt, every 3.5 metres in order to prevent the circuit board from overheating.

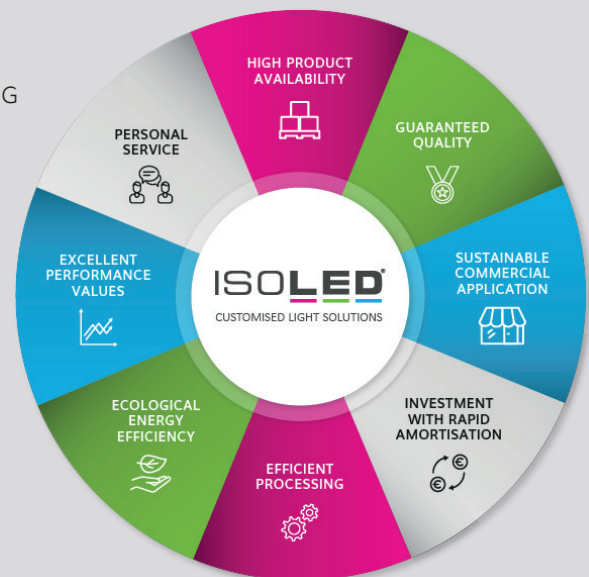

## CUSTOMISED LIGHT SOLUTIONS

SUSTAINABLE EFFICIENCY IMPROVED WITH SMART LED LIGHTING CONCEPTS

ISOLED® offers a standardized LED product range with over 2,200 branded items in

- » best and guaranteed quality,
- » with the greatest possible ecological energy efficiency,
- » with personal service and
- » efficient processing,
- » in a fair price-performance ratio,

with which future-oriented LED lighting solutions as well as intelligent LED lighting concepts with short amortisation times can be realised.

## 99% of our customers and partners recommend ISOLED® !

### Top Service und Beratung

Mit ausgezeichnetener Produktqualität, persönlicher Beratung und erstklassigem Service schaffen wir klare Wettbewerbsvorteile.

### Hohe Produktverfügbarkeit

Wir bieten ein breites Sortiment mit mehr als 2.200 hochwertige Markenartikel mit sofortiger Verfügbarkeit.

### Lieferung zu 95% am nächsten Werktag

Für gewöhnlich sind wir in der Lage, alle Bestellungen, die an Werktagen bis 11 Uhr eingehen, noch am selben Tag zu versenden.

# LED FLEXBAND CRI930/690

**112710** | LED Flexband CRI930/960, 24 V, 20 W, IP20, white dynamic

### Special features - Dimmable LED Flexband CRI930/960 in white dynamic

- » with strong 20 watts per meter,
- » convincing 6,666 lumens,
- » wide colour temperature range from 3,000 - 6,000 Kelvin,
- » Excellent colour rendering of CRI  $\geq$  90,
- » 12 high-power LED chips per Separation point (50 mm)

### Recommendation

We recommend the following compatible quality products of the SYS-ONE series from ISOLED for the control and operation of this LED Flexband CRI930/960®

**112477**  
Sequencer

**112497**  
Controller

**112498**  
Controller

## Dynamic selection in the colour temperature range 3,000 - 6,000 Kelvin
